INTRODUCTION

⚠ CAUTION

THIS INSTRUCTION BOOKLET CONTAINS **IMPORTANT** SAFETY INFORMATION.
PLEASE READ AND KEEP FOR FUTURE REFERENCE.

BEFORE STARTING

•Read each section carefully before starting. It is very important that each step is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.

•Make sure all parts are included. Most board parts are labeled and stamped on the raw edge.

•Working spacious area, preferably on a carpet, near the place the unit will be located.

•Have the following tools close at hand.

•Do not use power tools to assemble your furniture. Power tools may strip or damage the parts.

•***Recommended no. of people needed for assembly : 2***

HELPFUL HINTS

•Identify, sort and count the parts before beginning assembly.

•Compression dowels should be tapped in with a rubber mallet.

•Slides have a lip on the right only.

•Back panel provides stability and support.

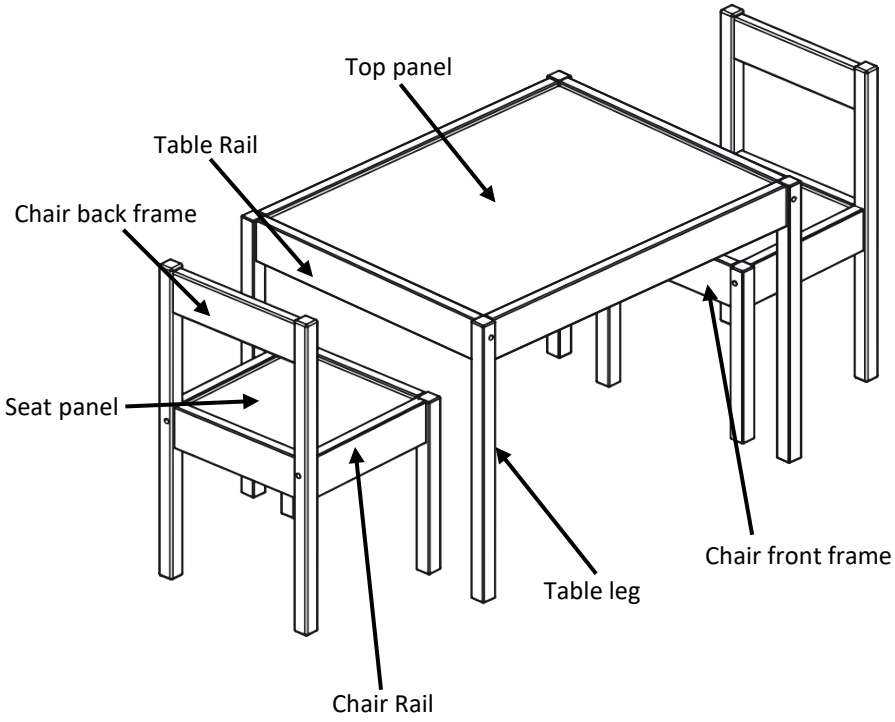

•Unit may collapse without back panel installed

•Clean the product with your choice of furniture polish and a soft cloth. DO NOT USE harsh chemicals or abrasive cleaners.

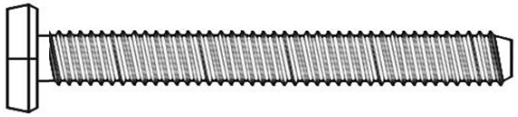

•Move your new furniture carefully. Two people are needed to lift and carry the unit to its new location.

•Never push, drag or scoot your furniture (especially on a carpet).

OVERVIEW

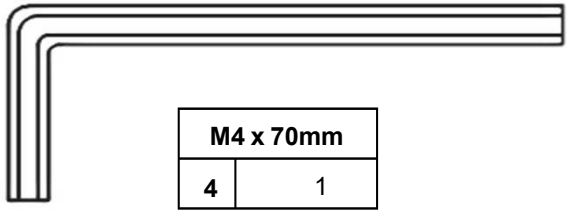

HARDWARE LIST

M6 x 65mm	
1	12

Ø10 x 13mm

SAFETY PRECAUTIONS

⚠ WARNING

Please make sure that all the objects are removed before moving the assembled unit. The unit must be lifted by more than one person, not dragged or pushed. Failure to do will cause product damage, instability, product collapse, and/or serious injury.

Weight Limits:

This unit has been designed to support the maximum loads shown. Exceeding these load limits could cause sagging, instability, product collapse, and/or serious injury.
